

Brazil Minerals Applies to Uplist To OTCQB

Belo Horizonte, Brazil--(Newsfile Corp. - March 4, 2021) - [Brazil Minerals, Inc.](#) (OTC Pink: BMIX) (the "Company" or "Brazil Minerals"), the Strategic Mineral Resource Company for the Green Energy Revolution, is pleased to announce that it has submitted an application to move its common stock from the OTC Pink Open Market to the OTCQB Venture Market, both owned and operated by the OTC Markets Group. The Company believes that up-listing to OTCQB is a natural progression in its growth trajectory and would increase its visibility to a wider range of investors and potential partners.

With a portfolio of projects for essential strategic minerals - lithium, rare earths, and titanium - and equity interests in subsidiaries focused on iron and on gold, Brazil Minerals is in a truly unique position to benefit from an up-listing to OTCQB. The Company already meets the OTCQB compliance requirement of filing with the U.S. Securities and Exchange Commission its annual financial statements prepared in accordance to U.S. GAAP and audited by a U.S. PCAOB auditor. In addition, Brazil Minerals maintains a Verified Company Profile at [OTCMARKETS.com](#).

About Brazil Minerals, Inc.

[Brazil Minerals, Inc.](#) (OTC Pink: BMIX) is focused on essential and strategic minerals for the Green Energy Revolution with 100%-owned projects in hard-rock lithium, rare earths and titanium. Additionally, Brazil Minerals has interests in iron through a 60% equity ownership of Apollo Resources Corporation and in gold through a 30% equity ownership of [Jupiter Gold Corporation](#) (OTCQB: JUPGF). Safe Harbor Statement

This press release contains forward-looking statements made under the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. Forward looking statements are based upon the current plans, estimates and projections of Brazil Minerals, Inc.'s management and are subject to risks and uncertainties, which could cause actual results to differ from the forward- looking statements. Such statements include, among others, those concerning market and industry segment growth and demand and acceptance of new and existing products; any projections of production, reserves, sales, earnings, revenue, margins or other financial items; any statements of the plans, strategies and objectives of management for future operations; any statements regarding future economic conditions or performance; uncertainties related to conducting business in Brazil, as well as all assumptions, expectations, predictions, intentions or beliefs about future events. Therefore, you should not place undue reliance on these forward-looking statements. The following factors, among others, could cause actual results to differ from those set forth in the forward-looking statements: business conditions in Brazil, general economic conditions, geopolitical events and regulatory changes, availability of capital, Brazil Minerals, Inc.'s ability to maintain its competitive position and dependence on key management. This press release does not constitute an offer to sell or the solicitation of an offer to buy any security and shall not constitute an offer, solicitation or sale of any securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such jurisdiction. We advise U.S. investors that Brazil Minerals' (and its subsidiaries') properties and projects, as of now, are exploratory and do not have measured "reserves" as such term is defined by the Securities and Exchange Commission.
